**Please note:**

- A 10-15 % crew gratuity (based on base charter fee) is customary for all yacht charters. Client can choose between having the gratuity added to his original invoice or paying gratuity in cash to the Captain upon disembarkation.

-Fuel charge is always based on idle speed cruising 4 or 8 hours. Fuel charge can be removed from original invoice and payed by client at the end of the charter based on consumption.

-Crew of 2 on all charters (Captain and mate) .
